Biography

"SOME OF THE MOST BRILLIANT AND DISTURBED GUITAR PLAYING ON RECORD..."

JPT Scare Band has been blazing psychedelic trails for quite some time now. Over the years and decades they have managed to progress from totally unknown to painfully obscure. In spite of all that... they are still together, with the original lineup intact. Still making meaningful music in the 21st century, this veteran group of jammers is also proud of their vast legacy of classic twisted insanity recorded back in olden analogue times.

Here and there, in odd corners of the world, growing numbers of those who love the old school guitar crazy heavv rock have somehow become aware of the existence of JPT. The band was
